

RBR.LV Latvian Virtual Rally cup 2023

Supplementary regulations

1. General information

1.1 The cup will be held on the game Richard Burns Rally platforms using a plugin developed by RSF Hungary and the latest New Generation Physics mod (NGP7).

1.1.1 Plugin available: <https://rallysimfans.hu/rbr/download.php?download=rsfrbr>, the plugin installation guide is also available there.

1.2 When registering on this page, you must use your first and last name, in the format SURNAME First name.

1.2.1 Users using "nicknames" will be disqualified.

1.3 All information about the cup will be published on our Facebook (FB) page RBR.LV Group.

1.3.1 To contact the organizers directly, please write a private message on the FB page.

2. Cup competition

2.1 The virtual rally cup competition is mirrored from the real rally calendar of Latvia. Organizers at their own discretion will be entitled to choose the stages, track coverage, service park times and weather conditions.

2.2 The Cup will consist of 8 (eight) rallies.

2.3 The start of each stage is scheduled for Thursday next week at 08:00 and will end on Tuesday evening at 23:59, after the respective real rally.

2.4 Planned cup calendar:

1. Rally "Sarma" – 16.02. – 21.02.2023

2. Rally "Alūksne" – 2.03– 7.03.2023

3. Rally "Vecpils" – 18.05 – 23.05.2023

4. Rally "Liepāja1" –29.06 – 4.07.2023

5. Rally "Liepāja2" – 6.07 – 11.07.2023

6. Rally "Cēsis" – 10.08 – 15.08.2023

7. Rally "Paide Ralli" – 31.08 – 5.09.2023

8. Rally "Utena" – 5.10 – 10.10.2023

2.5 In order to prevent the rally from ending in the first stage, there will be an interval between services or rally "days" with a possibility to use the "Superrally" system. If the Superrally system is in place, participants cannot continue to compete for overall rally cup points, but can still compete for "Power Stage" points. (see paragraph 5.3)

2.6 The organizers reserve the right to change the dates of the rally due to various unforeseen reasons, by notifying the participants at least 3 days before the start of the rally.

3. Stage restart request

5. Point system

5.1 The result of the overall cup winner is determined by the sum of the points won by the competitor in all rallies. A higher place is awarded to a competitor with a higher amount of points.

5.2 Points will be distributed in each class according to the following system:
30-24-21-19-17-15-13-11-9-7-5-4-3-2-1.

5.3 Power Stage points are awarded in the last stage of each rally, if not otherwise determined in special regulations of the rally. The points are added to the cup overall. The Power Stage points are as follows: 1st place - 5 points, 2nd place - 3 points, 3rd place - 1 point.

5.4 The distance of the special stages of the LRC competition has the appropriate coefficients for the individual points evaluation:

5.4.1 - corresponds to a coefficient of 0.70 in 60 km on SS,

5.4.2 - corresponds to a coefficient of 1.00 in 90 km on SS,

5.4.3 - corresponds to a coefficient of 1.30 in 120 km on SS.

Note: (with a tolerance of (+) or (-) of 15%);

6. Penalties

6.1 The organizers have the right to request a replay of any stage of the rally within 48 hours after each stage by announcing it on the FB website or by contacting the competitor privately.

6.1.1 A participant who does not send the replay within 48 hours after the organizer's request will be penalized with +5 minutes for each requested stage.

- 6.2 One wheel must always be on the road. (+10 seconds for each "cut").
- 6.3 RBR plugin takes care of track shortening control. In case the plugin did not work correctly, the participant must contact the organizer on the FB page and send in a replay of the specific stage.
- 6.4 For rudeness, insults etc in the comment section after the special stages participants will be penalized with: a warning for the first offense, +30 seconds to the total time for the second offense, disqualification for the third offense.
